

SUMMER 2009

One-Week Dance Camps

All camps include breaks for snacks, craft, and film clips of the appropriate dance forms. An informal performance will be presented on the last day of the camp.

- **Fairy Magic** - A creative movement class, story time, craft, snack, and time for free play in our "fairy garden," which includes a fairy tent, tea party supplies, silk rainbow fairy house, puppets, flower fairies, and fairy wings. Snacks and supplies are provided. Dancers wear a leotard; no tights or shoes are required.

- **Dance Sampler** - A different dance form each day! Jazz, ballet, tap, musical theatre, and African. Sample them all.

- **Musical Theatre** - Song and dance, with a little acting thrown in! Excerpts from Broadway or movie musicals.

- **Tap** - Introduction to the basics of tap dance, making music with your feet. Steps will be set to both classic jazz and current pop music.

- **Hip Hop** - Energetic, exciting dance experience, including skill-building, conditioning exercises, across-the-floor work, and a dance.

- **Hip Hop Jr.** - An energetic experience! Dance fundamentals are introduced through the use of contemporary music and stylized hip hop moves (age-appropriate).

SUMMER IS A GREAT TIME TO TAKE DANCE CLASSES

- to get started
- to find out what your niche is
- to move to the next level

Students find they can use the laid-back summer season to focus on dance training and bridge the gap between their current level of study and the next one. Often, they can accelerate their progress to a much faster rate than during the regular season.
